Hi Ana,
The new NatureServe work assignment for Bristol Bay is at NatureServe getting their estimate. It is my understanding that it should get back to you next week. Without a contract we have lost the wind from our sails, so I wanted to submit a friendly reminder that we need to get that new contract in place as soon as possible. One of the contractors needs to travel to Anchorage on March 15th so that we can meet our very tight milestones. I hope you understand and can expedite.

Thanks
Phil
